## Lions Code of Ethics

- **To Show** my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.
- **To Seek** success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.
- **To Remember** that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.
- **Whenever** a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.
- **To Hold** friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.
- **Always** to bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.
- **To Aid** others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
- **To Be Careful** with my criticism and liberal with my praise; to build up and not destroy.

**District Governor  
Patrick Rodriguez  
2011-2012**

Dear Lions of District 25-A,

I would like to begin my District Governor year by saying “Thank you!”

As I spent the last two years of my Lion life as a 1<sup>st</sup> and 2<sup>nd</sup> VDG part of my learning experience was to listen to the various speeches that were given by my two DG mentors, Lion Dennis Brown and Lion Mike Smith, and two of the most important words that I learned from them both was--- “thank you”. Thank You, I feel, is an expression of gratitude towards an act of kindness and are two words that could sum up Lions.

My gratitude for each and every one of you Lions in District 25-A goes beyond measure; If not for you and the tireless efforts that each one of your Lions club does for your communities the world would be a less better place.

I would like to close with this last thought. “Kindness is the language which the deaf can hear and the blind can see.”  
*Mark Twain. American Humorist, Lecture, and Writer*

I would be remiss if I did not thank my family for their support. Thank you Lion Naomi (Babe), Lions Joey and Rich, and soon to be Patrick Jr. and wife Mindy, and grandson Davin. And to everyone who helped put this District Directory together. Muchas Gracias.

## **1st Vice District Governor Richard "Dick" Silveira 2011-2012**

I am honored to serve the Lions of District 25A and will work with DG Patrick and 2<sup>nd</sup> VDG Connie to help all Lions and our clubs realize their dreams of service.

I am always struck by the day to day acts of kindness the Lions of our awesome District perform in their communities. Those acts of Kindness are like snowflakes in a blizzard of love. And when they melt, they sustain the passion of Lionism in our hearts, just like water sustains life. Many we help will not know our names, but on their hearts will be forever one name - L-I-O-N-S. I thank you for them: the needy, the visual impaired, the elderly, the children, our communities, and all whose lives you changed.

I believe in dreams. Remember when we use to dream when we were kids. Remember how much fun it was dreaming of crazy and unimaginable things. Yet many of our dreams did come true. I want the Lions to go back to dreaming: Dreaming of having fun and finding new and innovative ways to meet our Motto –We Serve. We need to believe in our dreams, believe in ourselves, and believe in the spirit of Lions. Together we can put our dreams into action and they will come true.

I believe and hope you do too.

**2<sup>nd</sup> Vice District Governor  
Connie Roe  
2011-2012**

Thank you Lions for allowing me the opportunity to serve as one of our many district leaders. I am excited and looking forward to working with all of you. Together we can continue to grow and develop our organization to meet the ever demanding needs and changes of our world.

Remember the movie Groundhog Day? The main character, Phil, kept waking up to the same day and kept doing the same thing with similar results. Well, that is okay if that is your goal but what if it isn't? It takes a challenge and a willingness to change and develop to get great results and we definitely have plenty of challenges. We must find also find more ways to engage our youth for they are our future.

Now for a little history for those who don't know me. I was born and raised in Winamac Indiana and still live there. My husband PDG Kevin and I have been married for 30 years and have one daughter, Karlene, who is also a lion. I have been a Lion for 15 years and while that may not seem long to many, I have experienced so much from being Region and Zone Chairs to various district and state project trustees, hosting youth exchange students, working tickets sales for the race track and state fair and have also been on 12 eyeglass missions to Mexico.

Let us continue to build our commitment to serve together and have fun doing it. Here is to a great upcoming Lions year.
